PUBLIC NOTICE

IMPORT TRADE CONTROL

New Delhi the 20th June 1968

SUBJECT.—*Import of printing machinery falling under S. No. 67(1) (i)/V during April 1968—March 1969 period.*

No. 117-ITC(PN)/68.—Attention is invited to remark (1) against S. No. 67(1) (i)/V in Section II of the Import Trade Control Policy (Red Book—Vol. 1) for the period April 1968—March 1969, which provides that A. U. applications will be considered from newspaper establishments and quality printers as defined in Appendix 9 for the import of permissible type of printing machinery required for replacement or development purposes.

2. It has been decided that, under the aforesaid policy, A. U. applications will be considered for replacement or balancing purposes only for import of printing machinery and attachments, other than (i) newspaper rotary presses, (ii) single and multicolour letter press, (iii) offset, (iv) gravure machines and (v) mechanical composing machines for English composition. The applications will be considered on merits against monetary ceilings allocated under foreign credits from U. K., U. S. A., Canada, Italy and Switzerland.

3. Applications will also be considered for the import of rebuilt printing machines from newspaper establishments and quality printers against monetary ceilings allocated under foreign credits from U. K., U. S. A. and Italy subject to the following conditions:—

- (1) barring exceptional cases, the machine to be imported should not have been used for more than 10 years and a certificate to that effect is furnished from the suppliers indicating the serial number, make and model of the machine in question.
- (2) A certificate is furnished from a qualified printing engineer abroad to the effect that the machine in question would be capable of service for a further period of atleast 10 years.
- (3) An undertaking is furnished from the manufacturer of machine in question that its spare parts would be available atleast for ten years more.

4. Applications for licences should be made to the Chief Controller of Imports and Exports New Delhi upto 31st July, 1968, in form 'E' in the prescribed manner. Applicants whose applications for the import of printing machinery already made are pending with the licensing authority on the date of this Public Notice, need not submit fresh applications.

P. D. KASBEKAR,
Chief Controller of Imports and Exports.
